

Neighborhood WATCH

A Community Action and Problem Solving Program

Neighborhood Watch is a Carlsbad Police Department facilitated, community action and problem-solving program. Neighborhood Watch uses the most effective means available for forming community bonds and resolving community issues; a good neighbor. ***Communities regain their community spirit by forming community bonds.*** Neighborhood Watch is not a guard duty. The police department shares skills with participants to develop a proactive community action group. The group addresses and develops a plan to resolve any neighborhood issue of concern, including crime.

A Neighborhood Assessment Survey

This survey will help the Carlsbad Police Department and your neighborhood begin your Neighborhood Watch Program. The purpose of this survey is to discover and resolve issues that concern residents. Please take a moment to fill-out the survey and return it to your Block Captain. The police department will use the surveys to develop an agenda for the first meeting. ***Thank you for your time and cooperation.***
